

Samsonite Cosmolite Beauty Case

Product Name: Samsonite Cosmolite Beauty Case

Manufacturer: -

Model Number: SAM-33829

Cosmolite, Samsonite's lightest and strongest collection ever, combines Samsonite's renowned strength with an amazing light weight. The patented shell, inspired by nature, is the basis for a unique design that gives tremendous protection to belongings. Light, durable and stylish: The Cosmolite collection will meet all travellers expectations.

This collection also recently won the "Red Dot Design Award " Best of Best 2010" and the Henry van de Velde Label 2009', a Belgian quality label awarded to a contemporary product, innovative in design and in the techniques used.

The Cosmolite collection also introduces the phenomenal Curv® technology. An innovative woven layering technique makes Curv® one of the strongest, lightest and most scratch-resistant materials available. This new concept in thermoplastics is extremely lightweight and offers exceptional resistance to impact. Vigorous product testing methods enforce the durability and efficiency of this material.

The unique shell like form offers extra protection and scratch resistance

The shell form and process of Curv® are exclusive to Samsonite in the luggage industry.
