Laminated Diary

This finish can be applied to any hard cover diary instead of the conventional leatherite fabric.

Supply us with your own design - ready to print (on disk), or our design team will take your product or service components, logos etc. and create an exclusive design for you.

We will print, laminate and draw your unique cover onto the diary size of your choice.

There is no need for foiling your logos as these will be printed on the encapsulated insert.

Personalisation of individual names can be gold or silver foiled on the front cover.
