

GPS Garmin Nuvi 310

Product Name: GPS Garmin Nuvi 310

Manufacturer: -

Model Number: PGIFTSO521

Navigator. Translator. Entertainer. Tour Guide. Garmin's nüvi™ 310 is one versatile little GPS. Sold exclusively in Europe, this pocket-sized Personal Travel Assistant now comes with hands-free Bluetooth® wireless technology in addition to the popular features offered in the nüvi 300 — making it the go-anywhere travel companion. Navigation is just the beginning. Nüvi includes many “must have” entertainment and travel tools including MP3 player, audio book player, JPEG picture viewer, travel alarm, currency converters, and more. In addition, optional software packages such as the Language Guide™ and Travel Guides™ can be added for language and content support. Customizable with Optional Software. Optional software available on plug-in SD cards, lets you instantly add new features to your nüvi — without connecting to your computer. Language Guide— contains five bilingual dictionaries and a multilingual word bank and phrase bank that support nine languages and dialects. Even get a spoken pronunciation of each word or phrase. Travel Guide— gives you helpful and thorough reviews and recommendations for restaurants, hotels, shopping, nightlife, sporting events and tourist attractions. Travel Guide for Europe currently available for purchase. Travel Guide for South Africa coming soon. Features Receiver: high-sensitivity WAAS-capable GPS receiver by SiRF. Weight: 5.1 ounces (144.6 grams). Battery: built-in lithium ion battery — between 4-8 hours of battery life depending on use. Bluetooth wireless technology for hands-free calling. Includes Garmin Lock™, an anti-theft feature. Supports FM TMC traffic alerting. Garmap South African Streetmaps. Fingertip touch-screen interface. Look up addresses and points of interest. Choose 2D or 3D map perspective. Upload custom POIs, including alerts for speed zones and safety cams. Built in Travel Kit includes MP3 player with sample MPs, audio books, picture viewer, world clock, currency and measurement converters, calculator and more. SD memory card expansion slot. USB interface for loading data.
